What is the SFA Spirit Parent and Alumni Association?

The SFA Spirit Parent and Alumni Association is an organization composed of cheer and dance parents and past team members that supports all three Spirit Teams at Stephen F. Austin State University. Every spirit team parent and alumni member has the opportunity to become a member of the Parent and Alumni Association and is encouraged to participate in the Spirit Program in some capacity.

Why should I join?

Membership in the Parent & Alumni Association is your direct link to SFA Spirit. Not only does it allow you to outwardly demonstrate your Lumberjack pride, but there are exclusive benefits just for members. Additionally, your membership dues directly support student scholarships, programming and Stephen F. Austin State University. By becoming an Association member, you not only will help our athletes have a more enjoyable and rewarding college experience, but you will also make new friends and derive satisfaction knowing that you have enriched the Stephen F. Austin Spirit Program.
